This is my firm color palette:

I am still finalizing a logo so for now the logo you have there is fine.

CMS, don't need
an interactive CMS
for deals right now

potentially make this color lighter / more premium feeling

Who This Is For
Ideal Fit
Corris Advisory represents U.S.-based founder-owned businesses targeting \$25M–\$250M+ Total Enterprise Value. Engagements are best suited for companies with scalable operations, durable cash flow, and a business model that is not solely dependent on the founder. Our clients are typically seeking a premium outcome with institutional-quality execution and terms. Generally Not a Fit
We are not the right advisor for lifestyle businesses, companies below \$25M enterprise value, founders “testing the

This is an initial introductory session with our Founder to provide you insights into the process, the opportunity, timeline, and strategies utilized to exit businesses for significant value. If there is alignment from your application and following the introductory session, you will be invited into next steps.
